Developing Urban Churches

Member of  CHARIS FELLOWSHIP

Pastor Jim Brown—jabrown215@yahoo.com

The Crossroads church family worked together to host Vacation Bible School last month!

While adults provided oversight, teens led most ministries and interacted with students throughout the week.

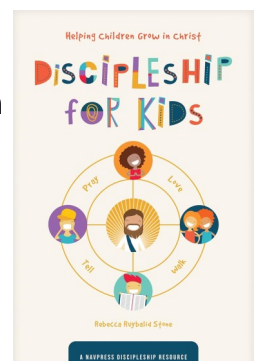

Though attendance was lower than hoped, it was a great opportunity for personal interaction with students as well as parents.

The week after VBS one of the students came to trust Christ for salvation. And the week after that another student placed their faith in Jesus.

Two young lives were changed for all eternity because of a simple program for children. Please pray for Zack and Abby as they grow in their relationship with the Lord.

We'll help each child establish a solid foundation with a simple tool designed for children. Thank you for praying!

They've now set an example to their boys that a marriage of covenant commitment before God and witnesses is following the way of Jesus.

Pray that they would continue to grow, that their kids would come to Jesus, and that their example will be an influence to many more.

I'm thankful for the encouragement of seeing the Holy Spirit bring about fruit as God's Word

is proclaimed in our little local church. It's so hard to gain ground pushing against the darkness of sin that reigns in our city. Delight is found when you see the light shine brighter! Pray that, as obstacles continue to come, we would be found faithful to our task of pointing people to Jesus.

Last month, some folks from Word of Grace were gathered to attend a baseball game in nearby Delaware.

It was a good time to for fun and fellowship!

Though the game was eventually postponed

because of rain, the group still had a good time and look forward to planning more congregational outings.

This month, Word of Grace will resume its Wednesday Night Bible Study.

Anthony Elliott will lead the group through a study of the Book of James. Please pray for Anthony. Pray for broad participation from the congregation. Ask the Lord to bring new friends who want to read the Bible. Pray for consistency.

Thank you for helping develop urban churches!
